

Dear Band Supporters,

The award-winning Lone Star High School Marching Band has completed its 4th annual March-A-Thon, but we still need your support! With over 170 students on the field, the band has grown incredibly over the past few years and your support is even more critical. Your support can also change the lives of kids in Frisco by making music accessible to all students!

You can write a check made payable to LSHSBBA or you can donate online at:

www.lshsband.com/marchathon

Thank you for supporting the Lone Star High School Marching Band Boosters Association and the children of the community! We are a 501(c)3 organization, so your donation may be tax deductible.

Thanks in advance for your support!

On behalf of Lone Star High School Band Boosters Association
